Overview Exterior Interior Power & Technology Comfort Safety Specification

Exterior

Changan KARVAAN is a mid-sized van. Its sophisticated design offers a fun and enjoyable way to travel with the family.

Chrome Grill

The glamorous chrome grill provides an executive appeal. Dual wing grill provides efficient ventilation while maintaining the elegance of a family automobile.

Rear Tail-lamps

The crisp LED Tail lamps greet the overall eyes.

High Density Fog Lamp

Ensuring a safe driving experience. High density fog lamps provide bright visibility in difficult environments.

Rear Sliding Door

Easy entry even in the most congested spaces. The wide entry passage allows ample space for both passengers and cargo.

Interior

- Spacious interior with comfort
- Monochromatic Meter Cluster
- Comfortably located gear shift lever
- Ergonomically positioned steering wheel

Space Grey Interior

Beautifully crafted grey interior embellishes a soothing cabin aura. The cabin is ergonomically designed and offers same feeling as a sedan.

Stylish Lunar Air Vents

Along with the dual air-conditioning unit for the rear passengers, KARVAAN is equipped with four exquisitely designed air ducts for the front compartment.

FM Radio With Precision Climate Control Knobs

The KARVAAN features an FM radio with built-in AUX and ergonomically located climate control knobs so that you enjoy your ride with utmost comfort.

Spacious Seats

The KARVAAN features comfortable seats which are specifically designed to offer the most legroom in its category.

Power & Technology

1.0L Powerful Engine

KARVAAN comes equipped with the most powerful C10 Engine. The 1000CC engine delivers amazing performance at all gear outputs so that you travel in style with peace of mind.

- Maximum output: 68 hp at 6000 rpm
- Maximum torque: 92 Nm at 4800 rpm

Transmission

5 speed manual transmission couples the 1.0L engine to offer smooth and uninterrupted performance throughout.

Suspension

Front Macpherson struts provide comfortable and sound ride.

Monochrome Speedometer

Monochrome blue speedometer incorporates speed and revolution cluster along with LCD display of fuel, mileage and trip.

Comfort & Utility

Separate Air-conditioning

Separate air conditioning unit provides cooling to 2nd and 3rd row passengers. With proper step control you can adjust the air flow as per requirement.

Foldable Rear Seat

Foldable 3rd row seat allows convenient storage space for large cargo needs.

Wide Side Mirror

Wide angle side view mirrors offer driver extensive visibility

Deluxe Fabric Seats

Plush knit fabric seats provide comfort throughout the trip. With moisture resistant woven yarn seats and enveloping bucket design to offer maximum lumbar support.

Safety

Three point seatbelt for all seats. Specially engineered body structure with crumple zones.

3 Point Seat Belts

KARVAAN is equipped with three point seat belts for all passengers. The 2nd row also includes ISOFIX feature.

Front Disc Brakes

Disc brakes are installed in the front to provide the best brake performance throughout the ride.

Energy Absorbing Steering

The collapsible energy absorbing steering provides safety during collision and helps to keep the driver safe on impact.

Driver Seatbelt Reminder

Seatbelt reminder chimes to alert the driver to buckle up while driving.
