Overview Exterior Interior Power & Technology Comfort Safety Specification

### Exterior

Changan KARVAAN is a mid-sized van. Its sophisticated design offers a fun and enjoyable way to travel with the family.

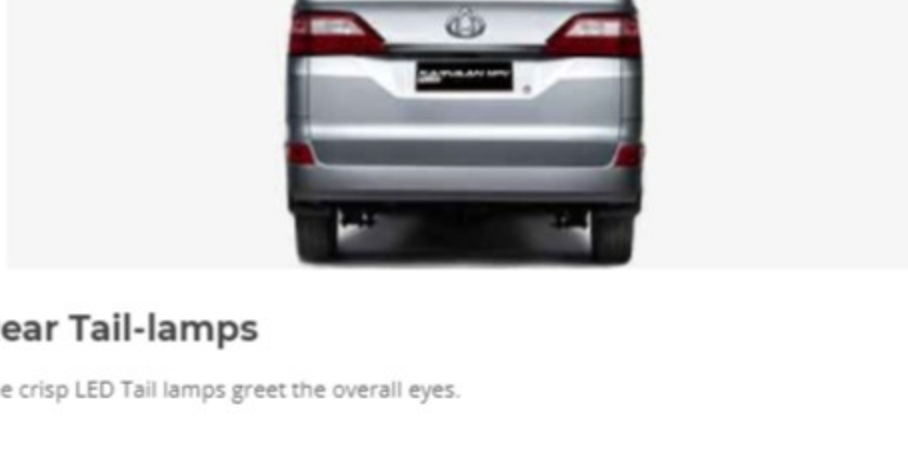

#### Chrome Grill

The glamorous chrome grill provides an executive appeal. Dual wing grill provides efficient ventilation while maintaining the elegance of a family automobile.

#### High Density Fog Lamp

Ensuring a safe driving experience. High density fog lamps provide bright visibility in difficult environments.

#### Rear Tail-lamps

The crisp LED Tail lamps greet the overall eyes.

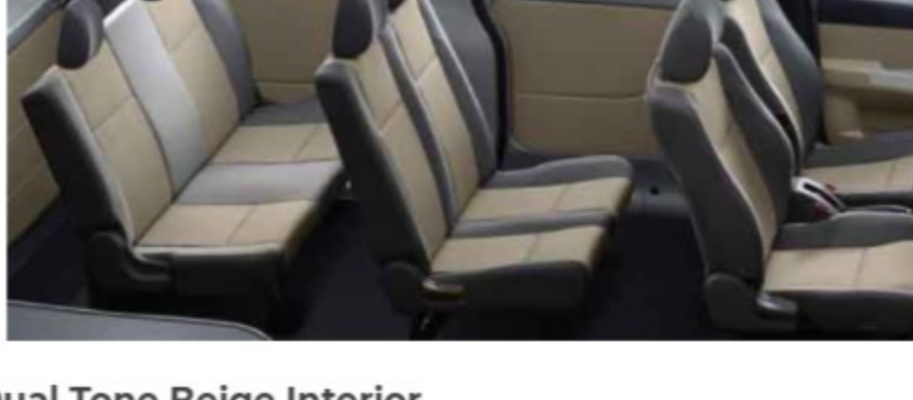

#### Rear Sliding Door

Easy entry even in the most congested spaces. The wide entry passage allows ample space for both passengers and cargo.

### Interior

Spacious interior with comfort  
Monochromatic Meter Cluster  
Comfortably located gear shift lever  
Ergonomically positioned steering wheel

#### Dual Tone Beige Interior

Fitted with deluxe breathable fabric seats and beige door trims, enter into an ambience of luxury and comfort

#### MP3 Audio Player

Fully equipped with FM radio/Aux and USB, the audio system sets the tune for all your long road trips with family.

#### Stylish Lunar Air Vents

Along with the dual air-conditioning unit for the rear passengers, KARVAAN is equipped with four exquisitely designed air ducts for the front compartment.

#### Spacious Seats

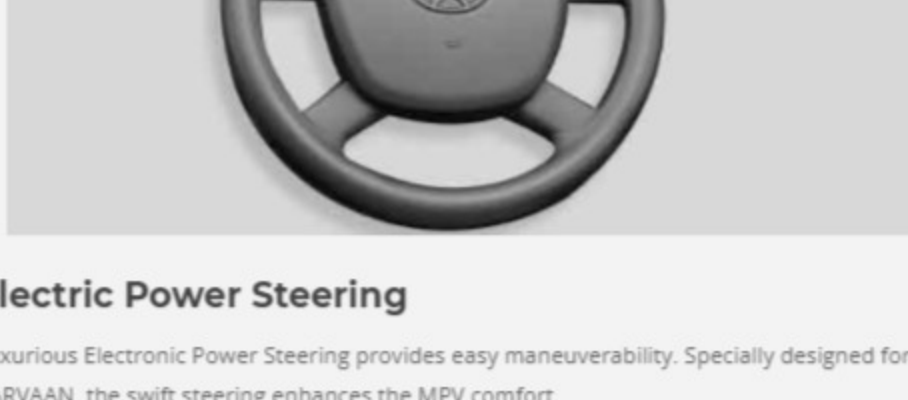

The KARVAAN features comfortable seats which are specifically designed to offer the most legroom in its category.

## Power & Technology

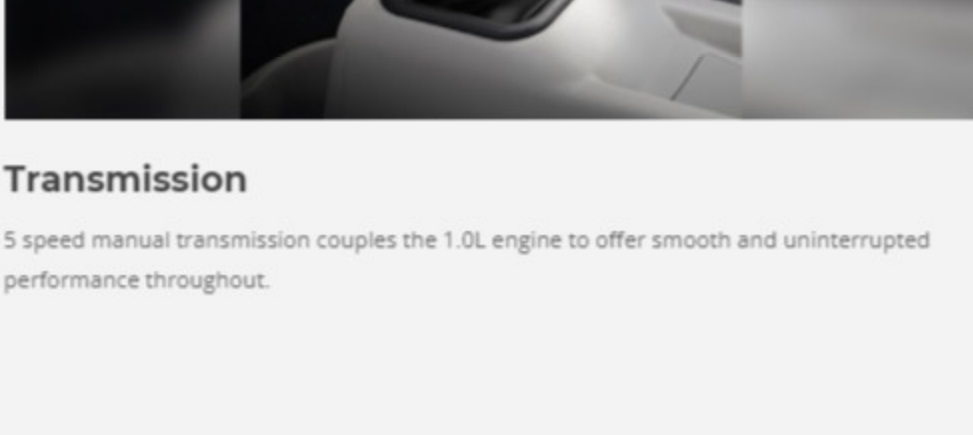

#### 1.0L Powerful Engine

KARVAAN comes equipped with the most powerful C10 Engine. The 1000CC engine delivers amazing performance at all gear outputs so that you travel in style with peace of mind.  
Maximum output:  
68 hp at 6000 rpm  
Maximum torque:  
92 Nm at 4800 rpm

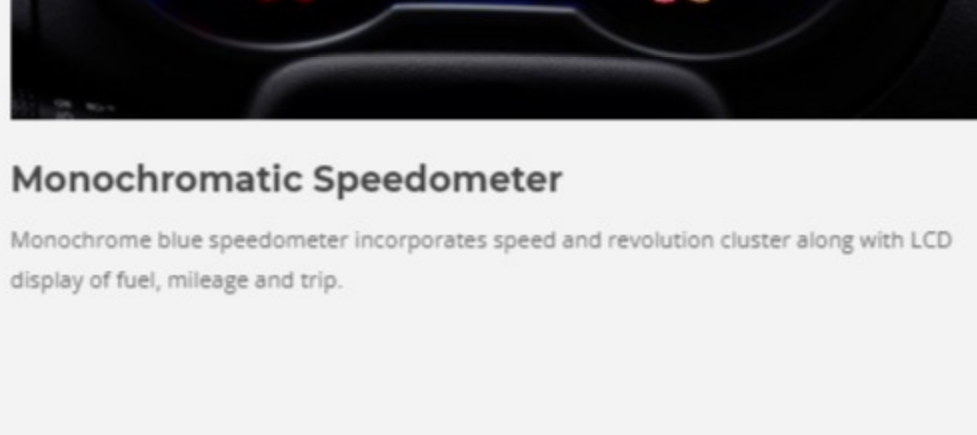

#### Electric Power Steering

Luxurious Electronic Power Steering provides easy maneuverability. Specially designed for KARVAAN, the swift steering enhances the MPV comfort

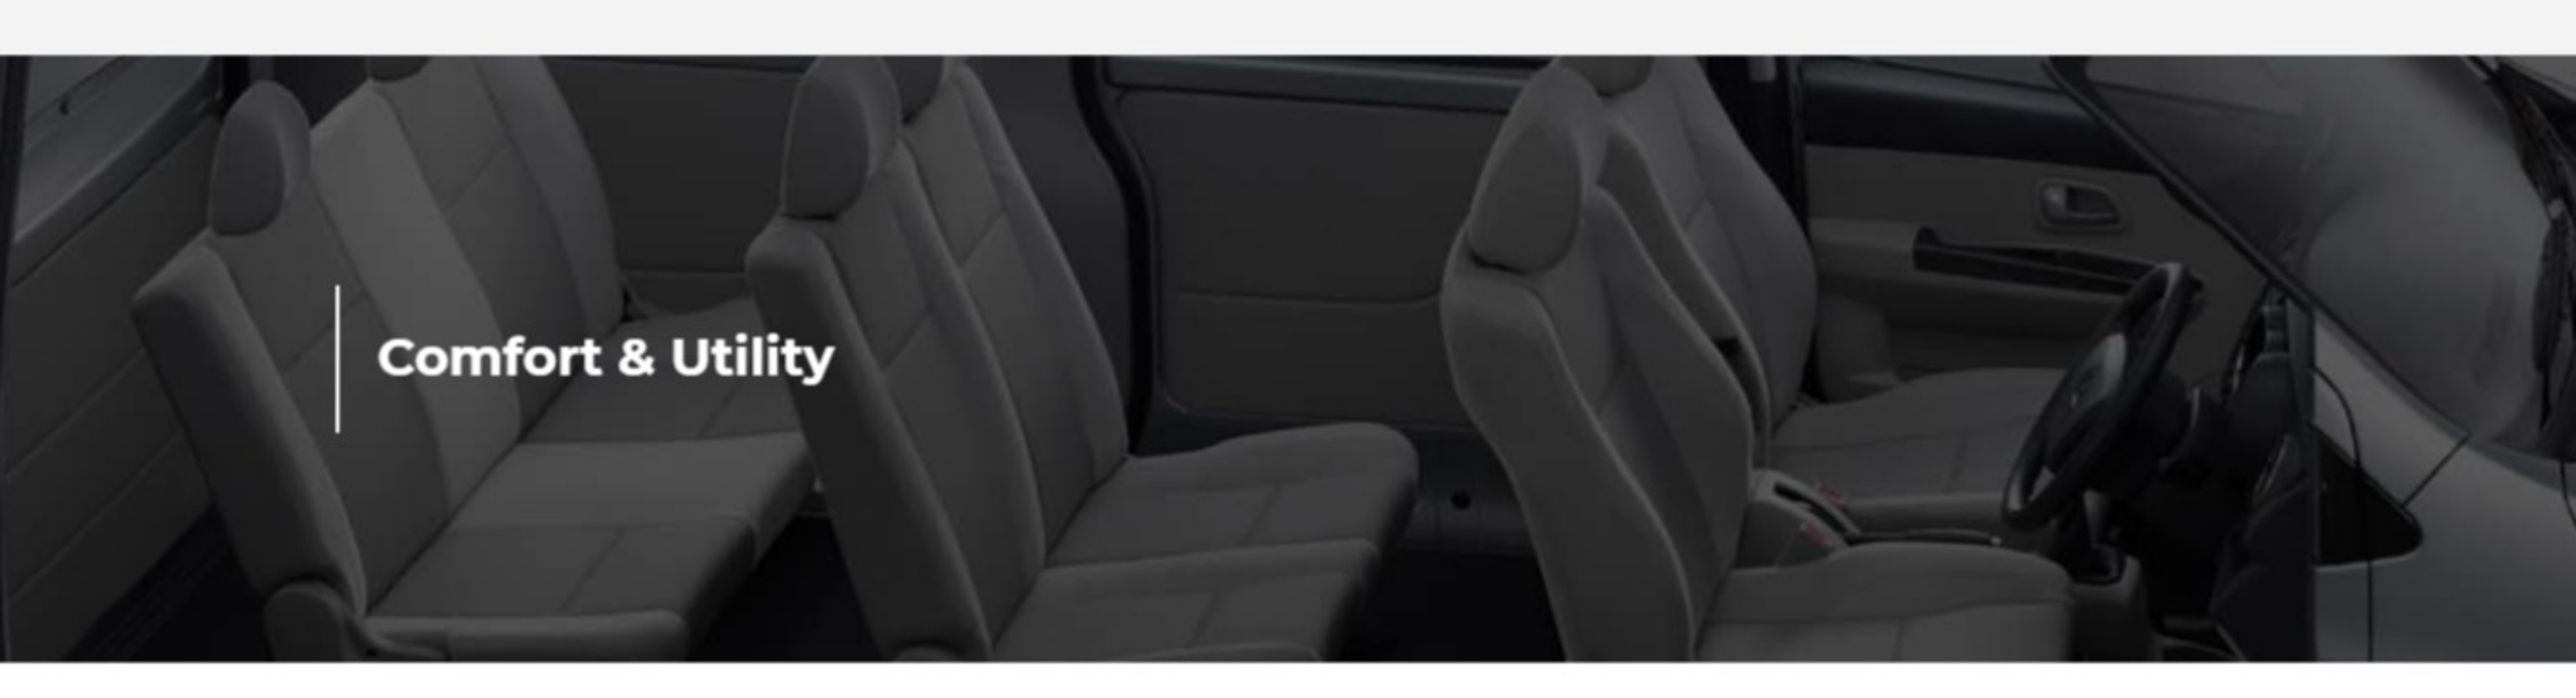

#### Transmission

5 speed manual transmission couples the 1.0L engine to offer smooth and uninterrupted performance throughout.

#### Monochrome Speedometer

Monochrome blue speedometer incorporates speed and revolution cluster along with LCD display of fuel, mileage and trip.

## Comfort & Utility

#### Dual Air-conditioning

Separate air conditioning unit provides cooling to 2nd and 3rd row passengers. With proper step control you can adjust the air flow as per requirement.

#### Foldable Rear Seat

Foldable 3<sup>rd</sup> row seat allows convenient storage space for large cargo needs.

#### Body Colored Side Mirror

Wide angle side view mirrors offer driver extensive visibility

#### Power Windows

Convenient power windows enable window operations at the tips of your finger. Driver side is enabled with Auto-down to further enhance driving pleasure.

#### Central Locking

With the all door central locking, unlock your car without taking the key out of your pocket

#### Door cupholders

Door pocket cup-holders provide additional storage space for your water bottles and documents

#### Door Operated Cabin Lamp

Front and rear cabin lamps provide ample lighting for all the passengers. Whether it's to check your makeup or read a magazine the cabin lighting has you covered.

## Safety

Three point seatbelt for all seats Specially engineered body structure with crumple zones.

#### 3 Point Seat Belts

KARVAAN is equipped with three point seat belts for all passengers. The 2<sup>nd</sup> row also includes ISOFIX feature.

#### Front Disc Brakes

Disc brakes are installed in the front to provide the best brake performance throughout the ride.

#### Energy Absorbing Steering

The collapsible energy absorbing steering provides safety during collision and helps to keep the driver safe on impact.

#### Driver Seatbelt Reminder

Seatbelt reminder chimes to alert the driver to buckle up while driving.
