V2 *Feel the Excitement!*

NOW ASSEMBLED IN PAKISTAN

An Art of Perfection

An unbelievable hatchback in which luxury meets style and comfort. Built strong and beautiful, combined with its unparalleled features make FAW V2 an ideal car for city drive or rough, uneven roads.

Power, Precision & Performance

FAW V2 with its 1.3L VCT-i Engine and Euro4 emission standards give an efficient power possessing best mileage, low fuel consumption and low noise. Its large trunk space and strong body structure will let you drive wherever your heart takes you, without any fear.

Better, Safer & Smarter

V2 adopts a humanized space design and advanced technology configuration with unmatched safety features in its class, such as Dual SRS Airbags, BOSCH Anti-lock Braking System (ABS + EBD), Keyless Entry with Immobilizer, Door Crash Beams and high mounted Brake Lamp complimented with spacious interior to guarantee a comfortable and pleasurable drive!

A Higher Standard

FAW V2 features modern and outstanding interior with unparalleled features; a high-end sense and functions such as Electronic Power Steering (EPS), Electronic Power Windows, Power Side Mirrors, and Alloy wheels.

Feel the Excitement

FAW V2 has more to offer than any other hatchback in Pakistan. The perfect combination of quality exterior and comfortable interior also offers 3 years/60,000km warranty and a value for money like no other.
