International

Since its founding in 1997, Chery has grown into a global automotive leader with a presence in over 110 countries across various regions. As the first Chinese brand to surpass one million domestic sales, Chery has consistently set benchmarks in innovation, technology, and international expansion. In 2025, Chery International achieved the remarkable Dual 500 milestone by ranking No. 233 on the Fortune Global 500 as the fastest-growing automaker of the year and by becoming the first Chinese auto brand to surpass five million vehicle exports worldwide. Omoda & Jaecoo represent the next chapter of this journey, building on Chery's legacy of excellence. Together, they embody the group's vision of delivering intelligent, stylish, and adventurous mobility experiences to drivers around the world.

OMODA | JAECOO

Omoda & Jaecoo are redefining the future of intelligent and electrified mobility. With distinctive design, advanced engineering, and a deep commitment to sustainability, the brands go beyond vehicles to inspire smarter, more connected lifestyles. Headquartered in Wuhu, China, Omoda & Jaecoo now operate across 44 countries, including key markets in Latin America, the Middle East, South East Asia, and now Pakistan. Guided by the global LOHAS (Lifestyles of Health and Sustainability) philosophy, Omoda & Jaecoo continue to drive progress with purpose, shaping a cleaner, smarter future for mobility.

JAECOO J7

Nishat Group is one of Pakistan's most prominent business conglomerates, with a diverse presence across textiles, cement, banking and financial services, insurance, power generation, paper products, hospitality, real estate development, automotive, agriculture, dairy, and aviation. Guided by strong values of trust, innovation, and progress, the group has played a vital role in shaping Pakistan's economic landscape. Bringing Omoda & Jaecoo to Pakistan reflects Nishat Group's vision of introducing world-class brands and redefining the future of mobility in the country.

EXTERIOR

Design That Commands Attention

Every angle of the Jaecoo J7 SHS is crafted to make a statement. Its striking front grille and sharp LED headlamps project confidence, while fluid contours and aerodynamic lines bring an unmistakable elegance. A raised stance with distinctive alloy wheels reflects its adventurous DNA, ready to take on diverse terrains with ease. From city streets to open highways, the J7's exterior blends modern sophistication with rugged character, ensuring you arrive with presence wherever you go.

Signature Grille

A bold **vertical-slat grille design** gives the front profile a commanding presence, reflecting **JAECOO's modern design language**.

LED Lighting System

Equipped with **LED Daytime Running Lights** and **full LED headlamps** with **height adjustment** and **auto functionality**, the J7 SHS ensures visibility with style.

Rims & Tires

The J7 SHS rides on **19-inches alloy wheels** with **235/50 R19 tires** for a balanced blend of style, road grip, and ride comfort.

Flush Door Handles

Hidden, flush-design door handles maintain a sleek and aerodynamic flank, contributing to the smooth, continuous exterior lines.

Ground Clearance: 174mm

Power Tailgate

A **power-operated tailgate** with **hands-free access** designed for everyday convenience and a premium aesthetic. Its **integrated design lines** complete the J7 SHS's refined rear profile.

Crystal Array Tail Lights

A seamless **full-width "Crystal Array" LED tail light bar** defines the rear, creating a striking visual signature day or night.

INTERIOR

Ergonomic Steering
Leatherette-wrapped multifunction steering wheel with **power adjustment**, designed for precise control and comfort whether driving in the city or on longer journeys.

Climate Control System
Dual-zone climate control is complemented by **rear-row air vents**, ensuring consistent comfort for all passengers throughout the cabin.

Intelligent Display
 A **14.8-inches HD touchscreen** takes center stage, giving seamless access to **infotainment, navigation, Apple CarPlay / Android Auto**, and **voice-command features**.

Luxury Seating
Premium synthetic leather seats with **heating and ventilation** for the front row. Both front seats feature **electronic seat functions**, while the driver's seat offers **lumbar support and memory function** for personalized comfort. A convenient **boss seat control** allows rear passengers to adjust the front passenger seat for added space and comfort.

Smart Charging Solutions
 A **50-watt wireless charging pad** keeps devices powered up, while **multiple USB-A and USB-C ports** are conveniently located in both front and rear areas.

Where Innovation Meets Indulgence

Step inside the Jaecoo J7 SHS and discover a cabin built for modern living. A 14.8-inches infotainment display and fully digital cluster put intelligence at your fingertips, while the panoramic sunroof fills the space with light. Premium leather seating with power adjustment ensures lasting comfort, complemented by ambient lighting, wireless charging, and dual-zone climate control. More than an interior, the J7 is a refined sanctuary crafted for those who seek both luxury and innovation.

Panoramic Elegance, Ambient Harmony

A seamless fusion of design and technology, the **panoramic sunroof** and **multi-shade ambient lighting** create an atmosphere of modern luxury. Every element is crafted to enhance visual appeal and deliver a serene in-cabin experience.

Safety, Smarter Than Ever

The Jacoo J7 SHS is equipped with advanced safety and driver-assistance technologies that work intuitively in the background, ensuring peace of mind and protection on every drive.

Traffic Jam Assist (TJA)

Automatically controls **speed and distance** in slow-moving traffic for stress-free driving.

Emergency Lane Keeping (ELK)

Detects unintentional **lane departure** and assists with corrective steering.

Adaptive Cruise Control (ACC)

Maintains set **speed and distance** from the vehicle ahead for safe highway driving.

Blind Spot Detection (BSD)

Provides visual and audio alerts when vehicles are detected in **blind spots**.

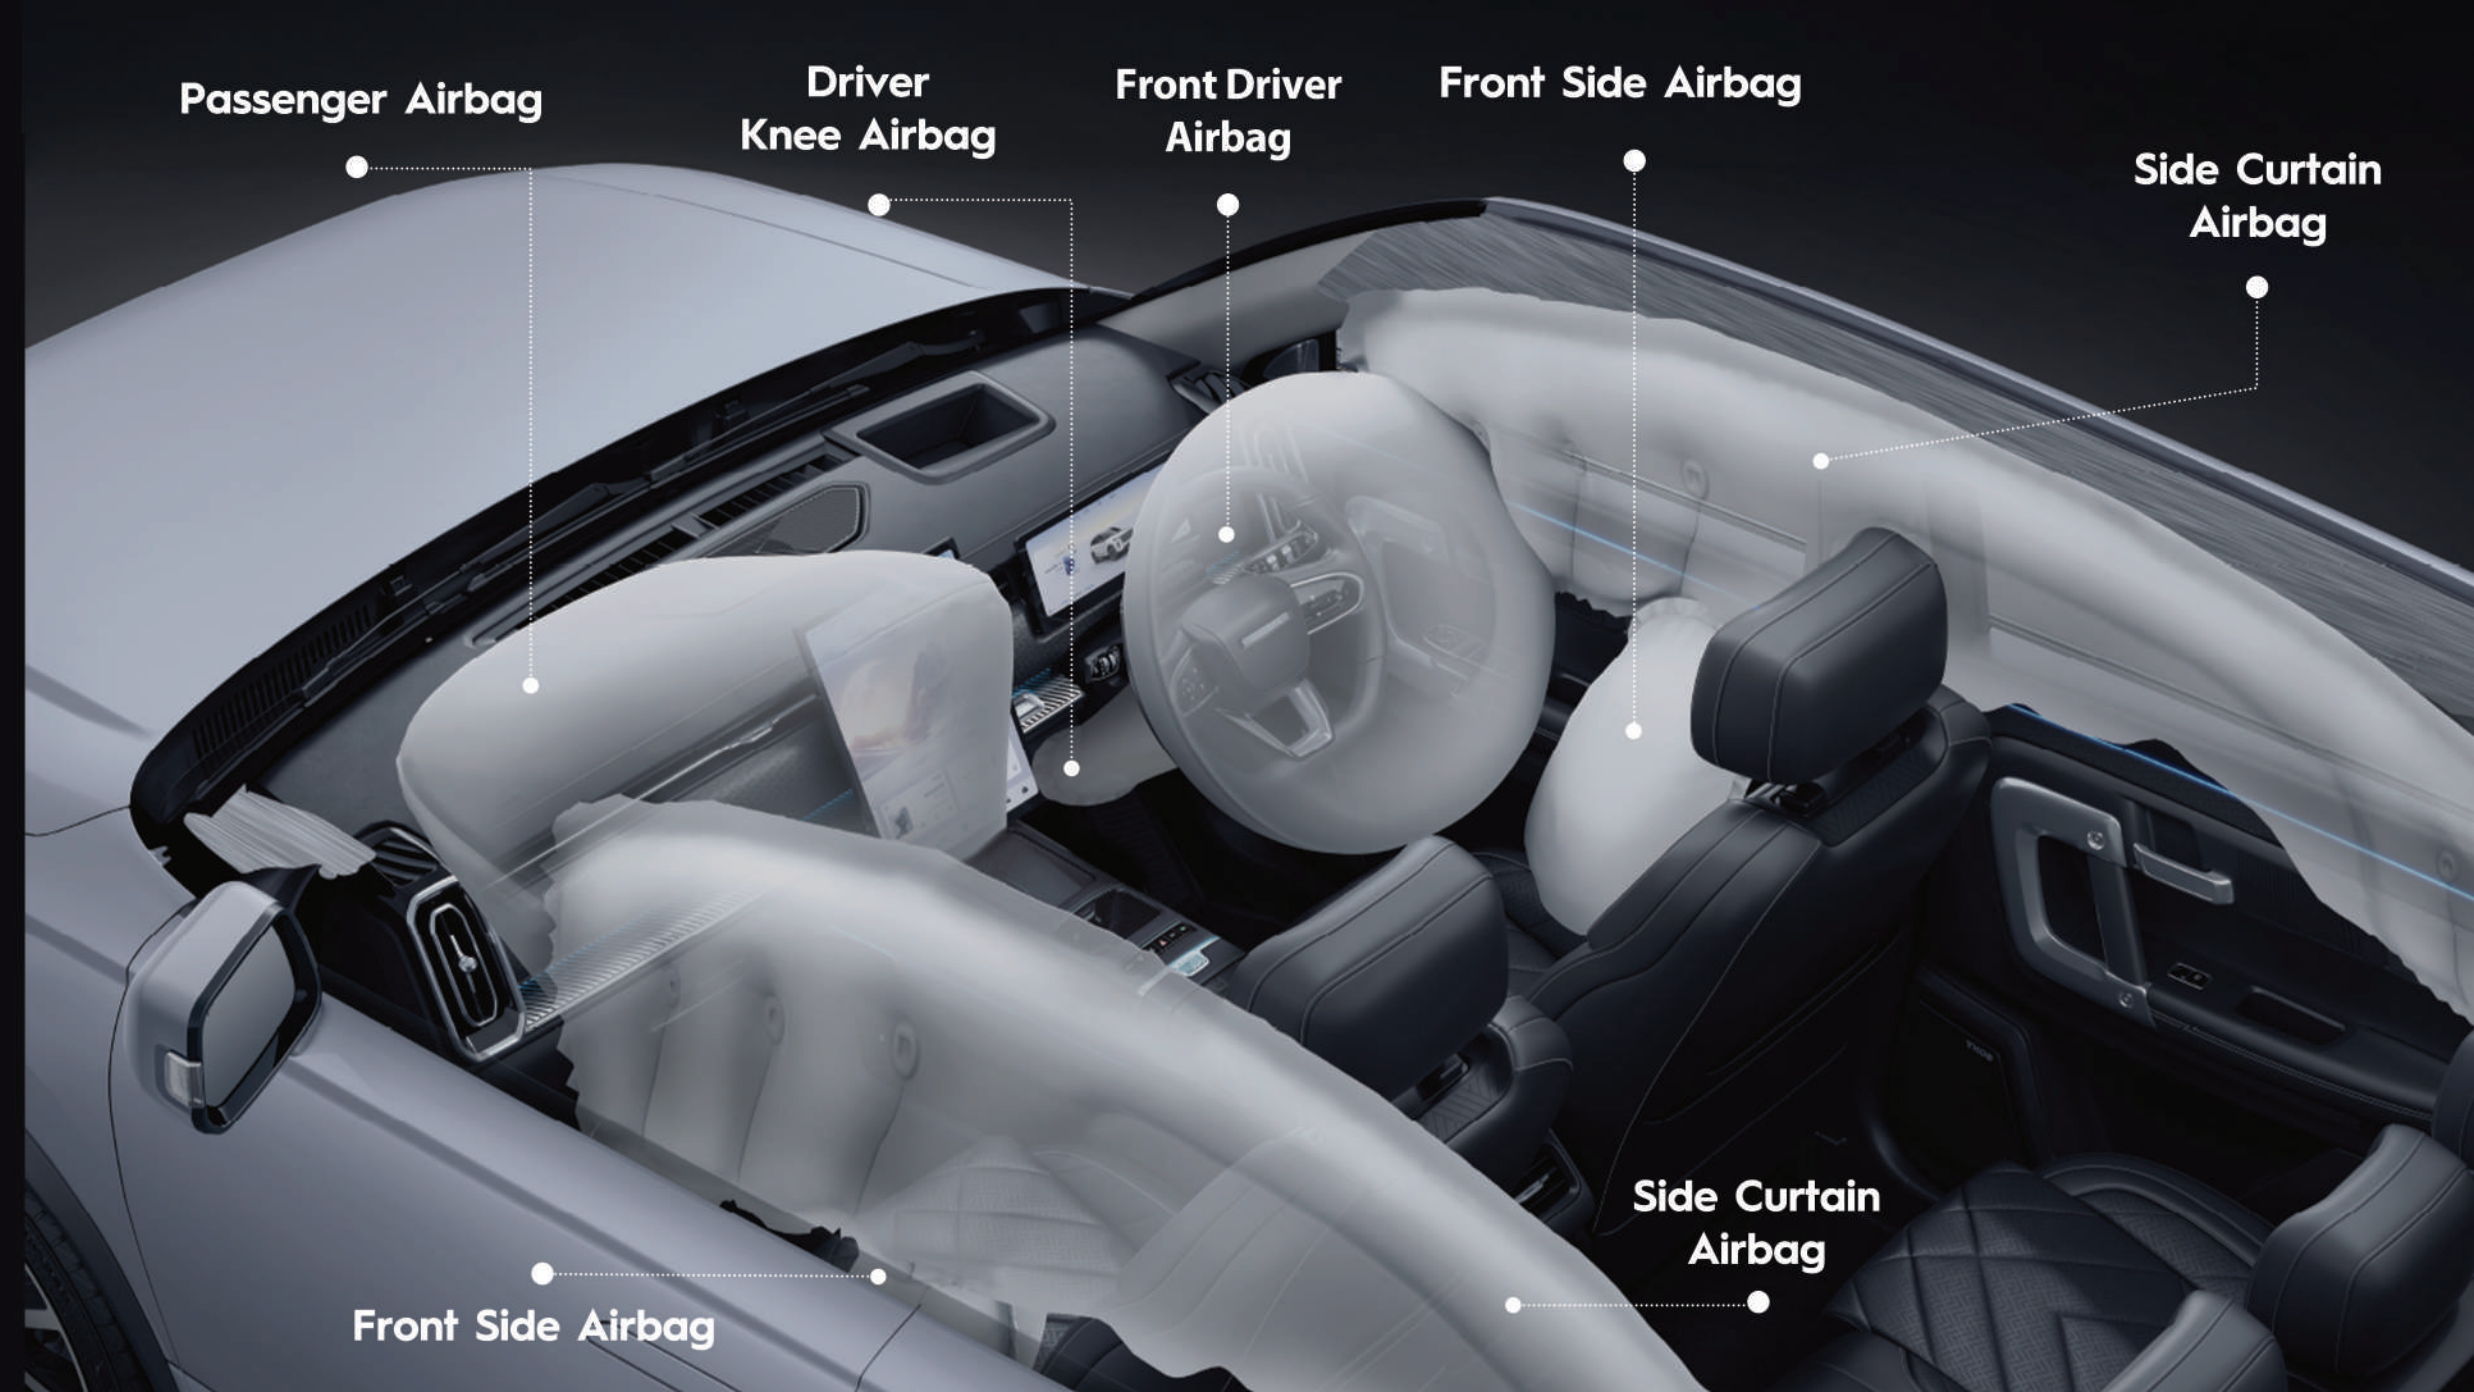

Rear Cross Traffic Alert (RCTA)

Warns of approaching traffic when **reversing out of a parking space**.

Safety That Surrounds You

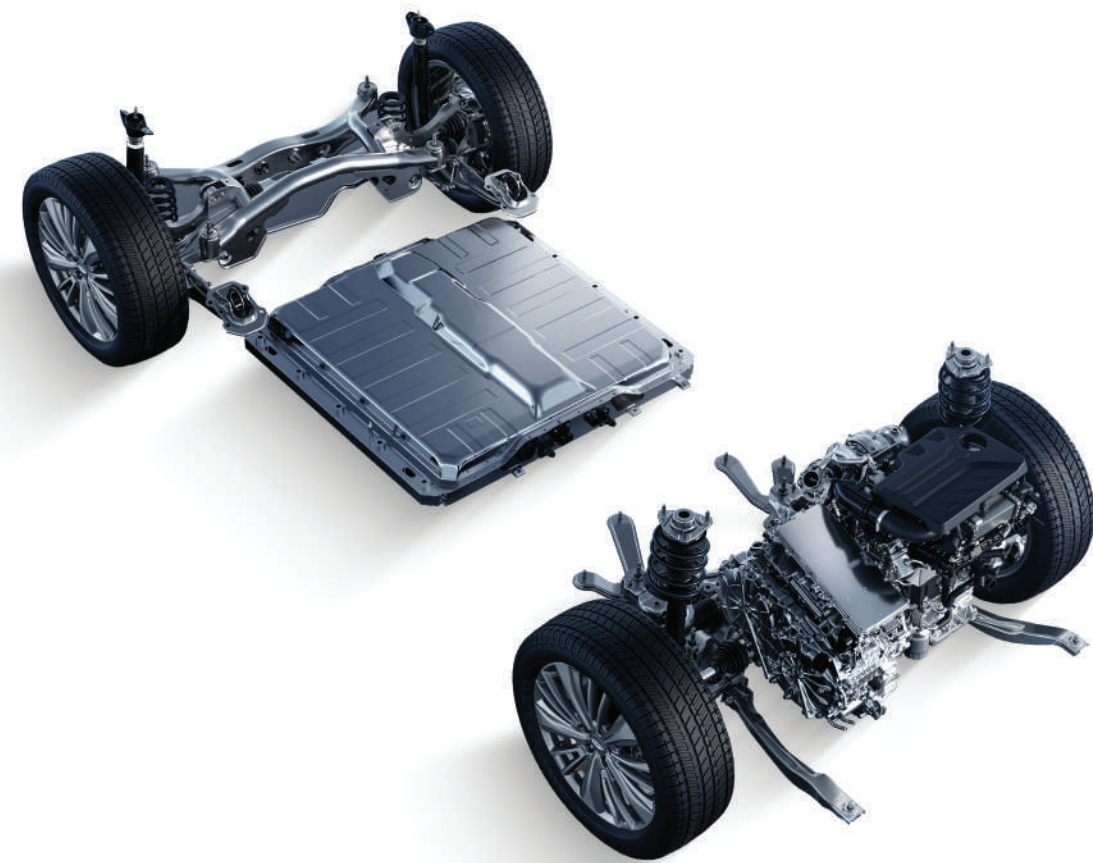

Comprehensive 7-Airbag System

Equipped with a comprehensive 7-airbag system designed to provide enhanced protection for every occupant. Dual front, front side, driver knee, front center, and side curtain airbags work in harmony to create a protective cocoon, reducing impact from all directions and ensuring maximum safety throughout every journey.

JAECOO J7 SHS SUPER HYBRID SYSTEM

The Jaecoo J7 SHS is powered by an innovative Super Hybrid System that blends the best of gasoline and electric technology. It delivers **thrilling performance, exceptional efficiency**, and the freedom to go further, redefining what a modern vehicle can achieve.

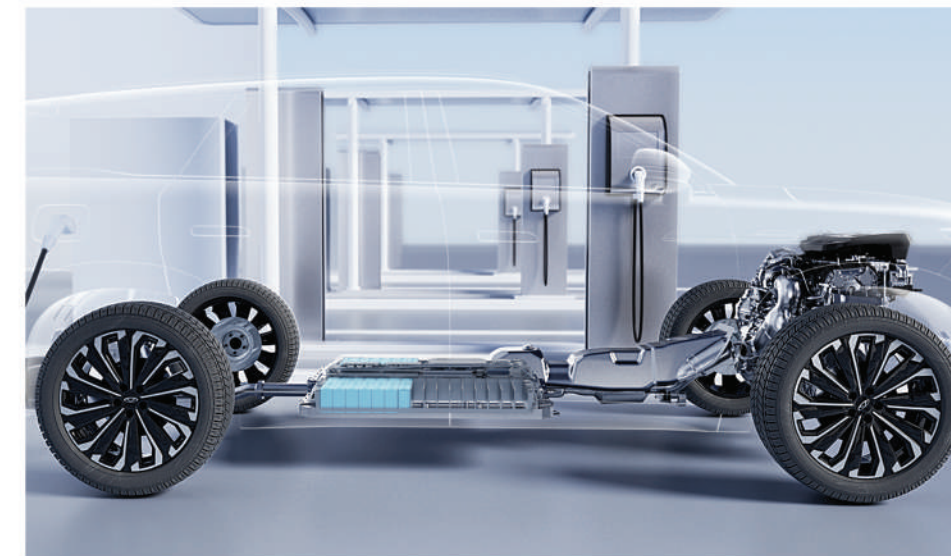

Dedicated Hybrid Engine

At its core is a dedicated hybrid engine that achieves an impressive **44.5% thermal efficiency**. Through six core technologies, it delivers greater power while minimizing fuel consumption, ensuring every drive is as efficient as it is dynamic.

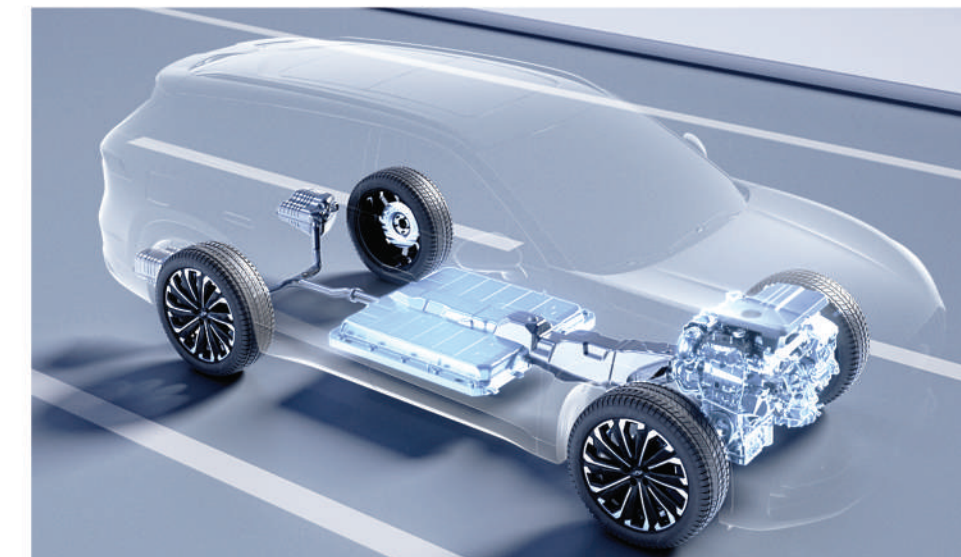

Dedicated Hybrid Transmission

The dedicated hybrid transmission operates at **92% efficiency**, seamlessly balancing power and fuel economy. Through four core intelligent codes, it optimizes the use of both engine and battery, so you enjoy smooth acceleration and maximum efficiency across every journey.

Super Battery Pack

Equipped with an advanced super battery pack, the J7 offers up to **90+ km of pure electric range (WLTP)**. Whether it's city commutes or silent, emission-free drives, the J7 gives you the flexibility to choose how you move.

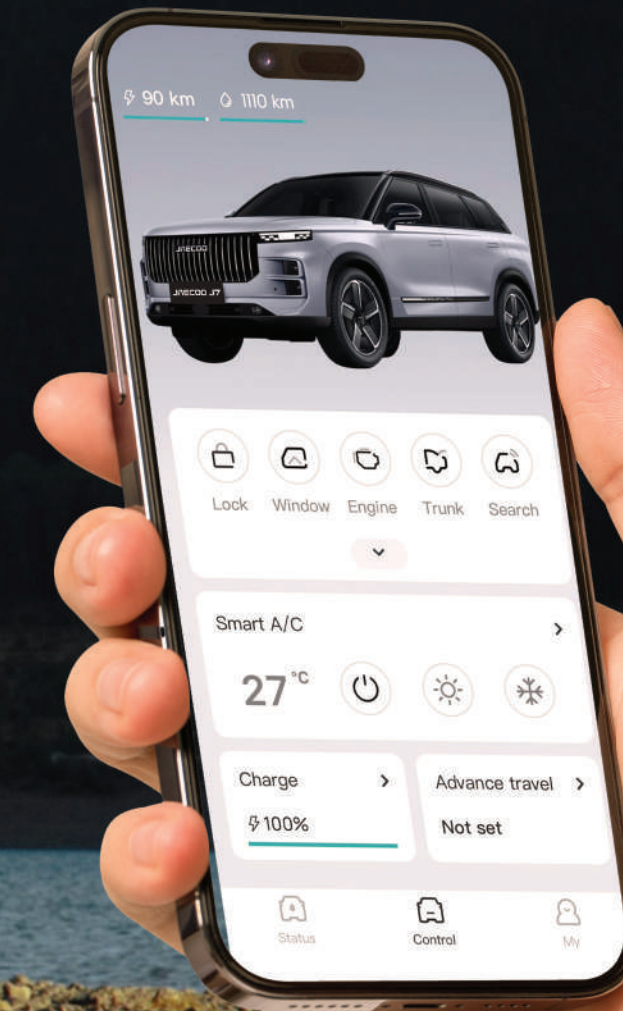

Intelligence Meets Convenience

CarLinko App Integration

Stay connected to your vehicle anytime, anywhere with CarLinko. This intelligent connectivity platform offers remote access to key vehicle functions, allowing you to monitor status, control essentials such as door locks, air conditioning, and charging, and receive real-time updates directly on your smartphone. Designed for convenience and control, CarLinko ensures a seamless digital connection between you and your Jaecoo J7 SHS.

Energy for Every Adventure

Power That Moves With You

With advanced Vehicle-to-Load (V2L) capability, the J7 SHS PHEV transforms into a reliable mobile power hub, allowing you to charge or operate external devices directly from your vehicle. Perfect for camping trips, family outings, or moments beyond the city, it ensures comfort and convenience wherever your journey takes you.
